

Lifting As We Climb *Lea Morris (BLM Commissioning Project)*

Tenor

Lifting as we climb
Up to that sacred ground
A land that love has found
Lifting as we climb
We've got our footing now
We won't be turned around
Lifting as we climb
Not a soul left behind
Hand wide, eyes on high
We're lifting as we climb

Soprano 1&2, Alto

Lifting, lifting,
Sacred ground, love has found
Lifting, lifting
Footing now, turned around
Lifting as we climb
Not a soul left behind
Hand wide, eyes on high
As we climb

Bass

Don't you want to be lifted?
Up, up, up
Don't you want to be lifted?
Up, up, up
Lift your hands, lift your eyes, lift your mind
Join with mine as we climb
