

Mom: High Priestess	Sun	World
Jenny: Fool	Moon	Chariot
Malia: Magician	Star	Wheel of Fortune

Mom's Character: Ohia Lehua

I am driven by reason and practicality

I have always learned by my mistakes

I have never learned anything useful by moving cautiously and taking the path everyone else takes.

My style is flowery scarves

The underworld menaces me with a letter I can never send.

My power is best used to seek knowledge, but is also used to pass unseen

Extra magic: Plant magic

Jenny's Character: Heliconia

I am driven by faith and connections & emotion and mystery

I came to this city in search of a deal too good to be true.

I came to this city to escape my true love.

My style is Spare Transit Pass.

The underworld menaces me with Phantom Mold.

My power is best used as medicine, but it can also understand others

Extra magic: Travel magic and Key magic

From: Aqualand

Malia's Character: Stephanotis

I am driven by emotion and mystery & faith and connections

I have abandoned advice from my first mentor

I still carry with me an old grudge

My style: glittercore and anxiety meds

The underworld menaces me with broken window panes and a voice telling me i am the rightful rule of the underworld

My power is best used for violence, but is also suited to transformation.

Extra magic: Luck Magic & Celebration Magic

Sanctuary

Treehouse in the rooftop garden on top of a highrise, also the toolshed. We live there in exchange for maintaining the garden.

Resources

- Living Spaces
- A Modest Sum of Money
- Rooftop Access
- Community Garden

- Social Media Notoriety - blog with a really cool name, advice blog - plants, relationships,
- Bargain with the Subway Ghosts - they help us get a car to ourselves, or an automatic express line
- The Local Bodega's Goodwill
- Kitchen Alchemy Workshop

Friends

- Cordelia - she is the queen of the pigeons - wears a crown made of trash material, she only talks to us and she's above everyone else
- Gus - the neighborhood gargoyle, grouchy, our friend because we got Cordelia to get birds to stop pooping on them, lookout, dump water on enemies
-
- Con artists in suits (underworld) - tried to sell us magic beans but we figured it out that they were just painted rocks. We gained their respect. They carry all their shit in briefcases to look legitimate

Wonders

- A ward of protection
- A chimney phoenix egg - Cordelia told us about it
- Fire-escape forest - dimension to a forest
- Belligerent sourdough starter - manifests useful things, sometimes poison

The Neighborhood

Appearance: gross glass, wrought iron and steam,

History: home to immigrants and outcasts, host to the city's most puzzling mysteries

Residents: avoidant but kind; proud of their diligence, short-tempered

Other People of Note:

- Paula Dean
- Douglas
- Farquad - Merchant
- Mr. Ohio
- Charice Destiny
- Frances - backroom florist, they buy a lot of our stuff

The Leader:

News Agency - The Truth

- The people in charge of it haven't been seen in public, we don't know who they are

Mr. Wonderful - bionic ear = horrible infections

Local Joys:

- Night Markets & Food Festivals
- The best damn coffee in town
- A famous apothecary - speed dating on Friday nights

The Underworld - Subterranean - subways and sewers

- Barrier: Cursed turnstile tolls - someone's gotta go back and get a shit load of dimes
- Laws: they speak pig latin, for every hour spent, you get one spam call per day from the Underworld - you have to answer it or its gonna keep calling you, you can't take anything physical without leaving something of equal mass behind
- Denizens:
 - Insidious Machinery - subway trains with minds of their own
 - Con artists in suits (friends)
- The Underworld's Face: Danny de Vito

Notes from questions

- Mom - Malia: argument - Augustus (my old mentor) OL is friends with him and thinks he's great, brings him up whenever she get the chance
- Jen - Mom - earn respect - Heliconia overcame her fear of heights to rescue the kitten (Pune) that was on the ledge of the rooftop garden
- Malia - Jen - escapade - miscalculated anxiety meds, knew there was apothecary, thought it was closed, decided to break in but it was during speed dating, i was dressed all in sneak gear black glitter. I had to pretend i wanted to be part of the speed dating and i got to talk to some awkward ppl. Someone really liked me i didn't like them - Douglas, thinks i like disco, thinks im super into him
- Mom - Jen - what advice do i give you but never follow myself? - learn from other people's mistakes
- Jen - Malia - skill - read the sourdough starter, you agreed to pick up the next three refills so i can avoid Douglas
- Malia - Mom - distasteful - the way i insist on eating raw eggs with a straw for breakfast, OL thinks its to gross her out, the slimy part makes me more glittery and also my vanity
- Mom - Malia - let her down - wrote a letter to Augustus telling him about my problems, you don't go out dancing with us
- Jen - Mom - reminds of home - flowery scarves, also scented, reminds Heliconia of her home where her mom wore perfume that made her sneeze - repulsed by it
- Malia - Jen - i have a hard time being carefree - Heliconia is whimsical, spontaneous, carefree... i hold on to negative things more, hard time letting go
- Mom - Jen - never be like OL - never wear the scarves, don't want to be oblivious to others' needs, also wants to learn from others' mistakes
- Jen - Malia - met at the bus station, saved from con man underworld denizen
- Malia - Mom - truth of past - i was at my best friend's wedding and got kind of drunk - she married my old boyfriend and it made me mad at her - i stole a golf cart and ran it into a tree
