

Dear Parents,

As a follow-up to our email for "Procurement of HHS Uniforms for Academic Year 2024-25" kindly find this Uniform Policy which mentions some changes for the next academic year 2024-25.

The school uniform instills a sense of belonging, pride and honour when it is complete and worn correctly. It has been observed that some students are dressed in either incomplete or incorrect uniforms with fancy jewellery, short kurtis without school logo and colourful track pants.

The school community of teachers and leaders have discussed this further and have listed a policy for the same.

Kindly find below a list of mandatory requirements with regards to the school uniform which will come into immediate effect as a Policy.

- The regular school uniform must have a school logo on the **left side of the chest area** for all. Any uniform without the school logo will not be allowed. The same shall apply to the school sports and regular ridas.
- All students from Pre-primary to Grade 10, must wear **plain black track pants only** with the Sports jersey. Students wearing tights, leggings, track pants of any other colour or print may be sent back home.
- The Sports jersey for the girls of Grades 4-8 has been redesigned for their comfort and convenience by increasing the length of the same. The details of the vendor have been communicated.
- If any student wants to wear a full sleeves tshirt inside the Sports jersey, then it must be black colour only.
- The length of the scarves for girls from Grades 1-2 must be longer to cover their shoulders. Refer pic. Given below for Scarf and the placing of the knot. They shall be expected to wear the scarf with the knot high only.
- The girls from Grade 3 to 8 will wear Stole. Refer pic. Given below for stole.
- The scarf/Stole has to be pinned to the head with 2 black tic tac pins only. Pins of any other color will not be allowed.
- Girls can wear only earrings in their ears as part of their jewelry.
- Boys and girls must not wear any other piece of jewelry like fancy hand bands, bracelets, rings, etc. Additionally, regular watches can be worn as against smartwatches or Apple watches.
- The t-shirt under the Rida has to be full sleeves and must match the color of the rida of either the House they are in or the Regular uniform i.e. Dark Blue.
- All students must wear dark blue socks only for both sports and regular uniforms.
