terms of service

TERMS OF SERVICE

General conditions

- you **have** to be 18 or older.
- You will be paying in full upfront before any progress starts
- Payments will be done through invoice on paypal unless otherwise discussed.
- you need to send a clear full body ref of your character unshaded and with no filters. communicate with me on specifics not shown. If you fail to follow these instructions, it is not my responsibility if the design is misread.
- I can deny your comm at any point in time if I'm unable to complete it for whatever reason. I usually do explain why.

process of commission

- you will receive sketch updates. There will sometimes be multiple passes of the sketch depending on the complexity of your comm. In this stage, **please** communicate with me the best way that you can on what you'd like to be changed if you're unhappy with something.
- After the sketch is approved, I will then line, color, and finish up the rest of your comm. progress will be shared during each stage.
- The wait time for your commission varies. It may take one (1) - two (2) weeks - two (2) months for completion depending on complexity.
- You're always welcome to ask for updates, but please do so in moderation.

Revisions

- Adjustments can be made to piece up to one (1) day after receiving finished product if it's due to artist error. If the error is due to unclear reference sheet, poor/vague description or unclear requests, it will not be adjusted.
- You will provide all requested commission adjustments in one message.
- You will be clear and detailed with what you want fixed, and how it should look instead. Please be clear.

- If you repeatedly ask for adjustments after you clear that the commission is fine, I will no longer engage.

Payment

- Payment is upfront and done through invoice with paypal. You will provide me with your email and I will send you an invoice.
- Payment can also be done with venmo or cashapp.
- Refunds will be given if I can't finish the commission for whatever reason.
- If you request a refund or do a chargeback after commission is completed, then you will get **blacklisted**.
