VEER PATEL

363 E Millwood Drive, Bartlett, IL 60103 | (630) 432-1389 | Veerpatel.0430@gmail.com | <u>LinkedIn</u>

OBJECTIVE

A results-oriented student pursuing a BSIS with 5+ years of relevant experience leveraging data-driven insights, managing KPIs, and developing initiatives to propel organizational success. Passionate about delivering impactful results and exploring opportunities.

EDUCATION

University of Illinois Urbana-Champaign
Bachelor of Science in Information Science – Artificial Intelligence   **GPA: 4.00/4.00**

SKILLS

Excel | Data Analysis | SharePoint | Data Visualization | SQL | Python | PowerPoint | Data Migration | Market Research | Technical Writing

WORK EXPERIENCE

Illinois Consulting Group | Champaign, IL   *Feb. 2025 – Present*
Management Consultant
- Collaborating with 10 consultants to research health-technology market segments for a telemedicine company; analysis and strategy were presented to the CEO through eight slide decks, driving the decision to include three new market entry points
- Conducting a detailed evaluation of five neurological diseases to identify an average annual savings of $1,200 per customer

H.H. Redstone Properties | Champaign, IL   *Oct. 2024 – Present*
Strategy Consultant Intern
- Spearheading a digital transformation initiative for a real estate client, leveraging predictive analytics to build a calculated 5-year plan to increase market share by 10% and capitalize on a 10-million-dollar potential revenue stream from emerging opportunities
- Developing a data visualization platform using SQL and Tableau to track KPIs (occupancy rate, tenant turnover, average days to lease), reducing manual reporting time by 4 hours per week

Design for America | Champaign, IL   *Aug. 2024 – Present*
Product Designer
- Administering extensive user research and usability testing sessions, gathering insights from 40 users to refine design decisions. Feedback-driven improvements are being utilized to increase platform usability by 20%
- Prototyping the visual framework of the platform using Figma, laying the foundation for front-end development in JavaScript

M. Holland Company | Northbrook, IL   *May 2024 – Aug. 2024*
Business Analyst Intern
- Formulated a new, structured file storage system within Microsoft Teams, configured into SharePoint, possessing Excel workbooks, Power BI dashboards, and transportation logs from six departments and nearly 500 team members
- Simplified framework of the data drive, which contained mass volumes of information, ultimately led to the successful audit of documents and records, leading to a recertification of the ISO 9001

Illinois School District U-46 Headquarters | Elgin, IL   *May 2022 – Aug. 2022*
Information Technology Intern
- Troubleshoot tier 1 and tier 2 technical issues related to user authentication, cloud applications, and education technology for a major school district with over 35,000 students throughout 55 schools

Stratford Construction Inc. | Hanover Park, IL   *May 2022 – Oct. 2022*
Sales & Marketing Representative
- Built strong relationships with prospective customers through door-to-door outreach while strategically leveraging social media to warm up leads, drive engagement, and increase brand awareness—resulting in over $150,000 in new revenue

LEADERSHIP

Alpha Phi Omega Service Fraternity | Champaign, IL   *Aug. 2024 – Present*
New Member President
- Representing 50 new members while actively assisting in the planning, coordination, and execution of service initiatives, culminating in over 750 hours of community service, guiding a large-scale donation enterprise to over $5,000 toward charity
- Volunteering 5-10 hours per week at the Champaign Public Library, providing support in maintaining a clean, welcoming environment that bolsters learning; facilitated events that provided reading/writing support to young children

Sigma Phi Epsilon Social Fraternity | Champaign, IL   *Aug. 2023 – Present*
President & Re-founder
- Revitalizing and leading the re-establishment of the Sigma Phi Epsilon fraternity, growing membership from 0 to 30 active members within six months, organizing five plus philanthropic events per semester, leading campus with a 3.7 GPA average
- Facilitating panelist events featuring speakers such as the Mayor of Champaign, professionals from Fortune 500 companies, and startup founders, attracting 100+ attendees and fostering networking opportunities for students
