

Privacy Policy for Wayfinding

Effective Date: 22/1/2024

Wayfinding ("we," "our," or "us") is committed to respecting your privacy and protecting your information. This Privacy Policy explains how we collect, use, and protect the limited information we collect when you use our app.

1. Information We Collect

We only collect the following information:

- **Location Data:** We access your device's location to provide the app's primary functionality of finding your current location and drawing a route to your desired parking spot.
-

2. How We Use Your Information

The location data we collect is used strictly for the following purposes:

- Identifying your current location to display available parking spots nearby.
- Generating a route from your location to the selected parking spot.

We do not store, share, or use your location data for any other purpose.

3. Data Storage and Retention

We do not store or retain any location data. Your location is processed in real time solely for the purpose of generating the route and is discarded immediately after use.

4. Data Sharing

We do not share your location data with third parties, advertisers, or analytics providers.

5. Permissions

Wayfinding requires your explicit permission to access your device's location.

- You can grant or revoke this permission at any time via your device settings.
 - Please note that revoking location access may limit or disable the app's functionality.
-

6. Security

While we do not store your location data, we employ standard security practices to ensure that your location data is processed securely during use.

7. Your Rights

As a Wayfinding user, you have the right to:

- Control location permissions on your device.
 - Contact us with questions or concerns regarding how we handle your location data.
-

8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any updates will be communicated within the app, and the updated policy will include the effective date.

9. Contact Us
