UNIT 2 WRITING: FARMING VS. FORAGING

Purpose

Using your knowledge of foraging and the development of farming, create an argument to respond to the prompt.

Process

Using the claim statement and evidence from the Prewriting Activity, respond to the prompt below. If your teacher asks you to, include evidence from the DBQ Sources in your response. Use the OER Project Writing Rubric to help you remember the elements of good writing.

Prompt: *Was farming an improvement over foraging for early humans?*
