

Trump

Here are some things About Donald Trump's life that you Probably didn't know about

Trump's parents sent him off to military school at the age of 13 To learn discipline and how to win. Trump's first source of income was from collecting soda bottles from his dad's work sites and selling them for a couple cents each. Trump got his first true income when he was still in college and worked for his dad's Real estate company. He quickly became the head of the company becoming a very wealthy businessman.

One of Trump's best character points is that he doesn't drink alcohol. The reason for that is because his brother Fred Jr was an alcoholic and he had a very short life, dying at the age of 42. Fred kept on saying over and over again to Donald don't drink, and until today Trump has followed Freds words to the letter and has never drunk alcohol...

When Donald Trump was elected as president he was the oldest elected president ever and he was the first ever president to not have held public office before. Donald Trump has kept most of his promises to the people and has left a very positive mark. The Secret Service gives nicknames to designate the president, as well as each member of his family. Trump's nickname is Mogul and his daughter Ivanka is reported to be Marvel.

Trump is a very wealthy businessman who has left an amazing mark on the people of America During his time as president.
