

Dear Grads,

Welcome to the start of the Fall 2023 semester! We are writing to inform you that we have been working with the Transportation Office for new shuttles routes and there are two new routes they we worked on together that they would like to announce! We heard your concerns about lack of nighttime transportation around the Hampden area and north of Homewood campus so this is the focus of the new routes. Please see the attached images of the new routes and see the announcement below. These new routes are also reflected in the Transloc App.

Updated Homewood fall shuttle schedules have been released, with changes including an additional stop on the Mt. Washington and Remington routes. Additionally, two new evening routes, the Giant route and the Avenue route are being introduced.

Details and information can be found [on the Shuttle Services page](#) of the Transportation Services website, or you can email shuttles@jhu.edu for more information. Updated schedules are currently effective.

Giant Route:  Copy of giant.pdf

Avenue Route:  Copy of Avenue.pdf

Please reach out to shuttles@jhu.edu with any questions!

Sincerely,

The GRO Co-Chairs
