

Place District Header

Our school is taking part in the Panorama® Climate Survey sponsored by Educational Service Unit # 2. The survey is designed to capture student voice and allow students to express their perspectives about teaching and learning, culture and climate, and their classroom experiences. It will be administered to students in 3rd through 12th grade. The survey takes about 20 minutes to complete and will be administered during the school day. The results of this survey will be used to make changes in our schools to ensure a positive climate for learning.

Risks and Discomforts

There are no known or expected risks to your child from taking the survey. Your child will not have to complete any questions he/she feels uncomfortable answering.

Voluntary Participation

We would like all students to participate in the survey, but the survey is voluntary. No action will be taken against the school, you, or your child if your child does not participate.

Please read the section below and check the box only if you do not want your child to participate in the survey. If you check the box “**may not** participate in survey” below, sign this form and return it to your child’s school.

Please read the section below. **If you do not want your child to participate in the survey, check the box, sign, and date the form and return the form to the school no later than [Date].** Signing and returning this form will dismiss your child from taking the survey. If you have no objection to your child participating in the survey, you should do nothing with this form.

Thank you.
