

Parents:

Please read [Family Matters!](#) a parents guide to the magic of theatre. Casting is the most difficult part of our job. We have such an incredible pool of talent this year. We always remind our students that casting doesn't define them. Please help us reiterate that same sentiment at home. They are incredible and we look forward to a wonderful musical.

To Our Incredible Auditionees:

Wow! Y'all continue to make our job impossible! Congratulations to all of the amazing actors that auditioned.

CASTING DOES NOT, NOR WILL IT EVER, DEFINE YOU! You are all so talented and brave and we were beyond blown away by the sheer amount of talent here at Cele Middle School. We are about to embark on an incredible journey. Don't be discouraged if you didn't make the play this time around. Keep auditioning, always keep trying, and never give up on your dream. We couldn't be more proud of all of you!
