Seminar on Generative Artificial Intelligence
Details of Activity Title of Activity: Seminar on Generative Artificial Intelligence Duration: 9:00 am to 10:00 am Attendee Number: 22 Name of Resource person: Mr. Ashwin V. NASSCOM–FSP Generative AI
Objectives of Activity :- ● To introduce students to the concept of Generative Artificial Intelligence. ● To create awareness about the applications of AI in different industries. ● To highlight career opportunities in the field of Artificial Intelligence. ● To encourage students to develop future-ready digital skills. ● To bridge the gap between academic learning and industry requirements.
Description of Activity: The Department of Banking & Insurance organized a Seminar on Generative Artificial Intelligence which was conducted on Monday, 15th September 2025 at 09:00 AM. The event was conducted in the college auditorium and attended by 22 students from SY and TY BBI. A seminar on Generative Artificial Intelligence was conducted with the objective of introducing students to emerging AI technologies and their growing importance in various industries. The session was led by Mr. Ashwin, associated with NASSCOM–FSP (Future Skills Prime), who shared valuable insights on the concept, applications, and career opportunities in the field of Generative AI. The seminar aimed to enhance students' awareness of future-ready digital skills. Mr. Ashwin explained the fundamentals of Generative AI and its real-world applications. Students were introduced to concepts such as machine learning and AI-based content generation. Practical examples were discussed to help students understand how AI is transforming industries. The session was interactive, with students asking questions and engaging in discussions. The seminar on Generative Artificial Intelligence was highly informative and beneficial for students.

Impact of activity:

- Enhanced awareness about global communication and cross-cultural skills.
- Motivated students to learn foreign languages for academic and career advancement.
- Provided practical tools for language acquisition and learning strategies.
- Increased curiosity about international opportunities and cultural exchange.
