

Lettering Criteria

Edina FTC Robotics

Letters are awarded to students who have gone above and beyond the standard expectations. The following criteria is used:

- Participated for 2 years in Edina FTC Robotics (There is a significant learning curve with robotics and it is usually in a students' second year that they are able to do something exemplary.)
- Met all of the attendance requirements during the 2 participating years.
- Competed in three tournaments within the 2 participating years.
- Displayed a positive attitude toward the team and all of its work.
- Contributed to the team in a manner that made a significant impact.
- Is a student in good standing at Edina High School, maintaining a C- average (1.67).
- **New 2024-25:** After earning an initial letter, students participating in an All-in team can earn an additional letter annually.

Additional letters are bestowed at the advisor's discretion.
