

Shane, his partners Eric and Bill, and their children Phinn, Hayden, and Ethan, are proud Summit residents and have been members of Temple Sinai since they moved to Summit in 2019. Shane is an active member of the Temple's Hineinu committee and a chapter lead for his company's OPEN (LGBTQ+) employee resource group. Shane is very excited to help the Temple continue to advance its Hineinu initiatives to promote awareness and increase participation of diverse people within the congregation and community.
