

Aboyne Primary School - Snow Day Activities

Early Level - P1

	KNOWING	UNDERSTANDING	APPLYING	ANALYSING	EVALUATING	CREATING
LITERACY	Practise your letter formation by snow painting.	Draw pictures to show words beginning with your sounds.	Take photographs of objects starting with your sounds.	Ask a family member to test you on your sounds.	Think and talk with a family member about your favourite characters in a book.	Draw a front cover for your favourite book.
NUMERACY	Practise your numbers in the snow.	Play a game to practise your number values to 10.	Play Sumdog	Estimate and find out how long it will take a snowball to melt in your house Snowman competition.	Have a snowman competition and measure which is the tallest, widest and the most creative.	Create a symmetrical picture.
HEALTH & WELLBEING	Think of different ways to keep healthy.	Talk with an adult about the 'Eat well guide.' What changes can you make?	Bake with a family member	What super snacks do you eat on a regular basis?	Go on a walk and think about what you can do to stay healthy.	Create a poster to show healthy snacks.
SOCIAL STUDIES	Think about the different types of weather in your local area.	Draw pictures to show different types of weather.	Find a weather picture to match the weather outside.	Fill a container with snow and leave it in the house. Think about any changes you might see.	Talk with a family member about what has happened to the snow. What might you do to stop this from happening?	Imagine you are a weather reporter and tell the weather news.
