At IELTS Speaking Test, we know you care about your personal information, so we have prepared this privacy policy (our “Privacy Policy”) to explain how we collect, use and share it. By using or accessing the Service, you agree to the terms of this Privacy Policy. We may update our Privacy Policy to reflect changes to our information practices. If we do this and the changes are material, we will post a notice that we have made changes to this Privacy Policy in the App for at least 7 days after the changes are made, and we will indicate the date these terms were last revised at the bottom of the Privacy Policy. Any revisions to this Privacy Policy will become effective the earlier of (i) the end of those 7 days or (ii) the first time you access or use the Service after any such changes.

2.INFORMATION WE COLLECT

When you use IELTS Speaking Test you provide us with two types of information: (i) information you submit via the Service and (ii) information regarding your use of the Service collected by us as you interact with the Service. When you enter the Website, we collect your browser type and your IP address (a unique address that identifies your computer on the Internet). When you use our mobile application, we collect your device type, your device ID, and your IP address. In addition, we store certain information from your browser using "cookies." A cookie is a piece of data stored on the user's computer tied to information about the user. We use session ID cookies to

confirm that users are logged in. If you do not want information collected through the use of cookies, there is a simple procedure in most browsers that allow you to deny or accept the cookie feature; however, you should note that cookies may be necessary to provide you certain features available on the Website (e.g., customized delivery of information). Through the registration process, you may provide us with your name and email address, hometown, and other information that may be requested during the registration process.

3.USE OF INFORMATION

We may use your contact information to send you notifications regarding new services offered by IELTS Speaking Test that we think you may find valuable. IELTS Speaking Test may also send you service-related announcements from time to time through the general operation of the Service. Generally, you may opt-out of such emails. Profile information is used by IELTS Speaking Test to be presented back to and edited by you when you access the Service and to be presented to other users. 4.INFORMATION OBTAINED BY THIRD PARTIES

To support and enhance the Service, we may work with a variety of third-party advertising networks, marketing analytics service providers and website analysis firms (collectively, “Third Party Advertising Service Providers”). These Third Party Advertising Service Providers may collect and use non-personally identifiable information about your visits to and use of the Website and mobile Application as well as other websites to serve you with advertisements and content tailored to meet your preferences and likely interests or better understand ad effectiveness. Aggregate demographic and interest data may also be used for market research purposes. You can opt-out of receiving personalized ads from advertisers and ad networks that are members of the Network Advertising Initiative (“NAI”) or who follow the DAA Self-Regulatory Principles for Online Behavioral Advertising using their respective opt-out tools. The NAI's opt-out tool can be found here <http://www.networkadvertising.org/choices/> and the DAA's opt out tool can be found here <http://www.aboutads.info/choices/>. In addition, your mobile devices may offer settings that enable you to make choices about the collection, use, or transfer of mobile app information for online behavioral advertising (for

example, Apple iOS' Advertising ID and Google Android's Advertising ID). Please note that opting out does not prevent the display of all advertisements to you.
