2023/2024 School Year

OFF-SITE EDUCATIONAL ACTIVITIES

Dear Parents/Guardians;

From time to time during the school year, students and staff enjoy taking advantage of the recreational facilities/areas within close walking distance of our school (some of these properties are connected to our Holy Family yard/property).

Examples of such activities are nature walks and physical education classes at Owl Park, tennis courts and neighborhood walks. During the warmer months we may use the water splash pad, tennis courts, park and surrounding field and during the winter months we will use the park for winter activities. We ask your permission to include your child in these activities. Any of these activities would occur with an Educator and would involve walking beyond the school property to the attached property and within the neighborhood. These locations are close enough for the educator to have a walkie talkie to allow for constant communication with the school.

Please sign below, indicating your permission for your child to attend these off site educational activities with his/her Educator. Please complete a form for each of your children attending Holy Family as these will be kept with the individual classroom teacher.

Thank you for your assistance.
