Yellow Ribbon

Repeat after the Drill Sergeant

Around her hair she wore a yellow ribbon,
She wore it in the springtime, in the early month of May.
And if you asked her why the heck she wore it,
She wore it for that soldier who was far, far away.
Far away,
Far away.
She wore it for that soldier who was far, far away.

Around the block she pushed a baby carriage,
She pushed it in the springtime, in the early month of May.
And if you asked her why the heck she pushed it,
She pushed it for that soldier who was far, far away.
Far away,
Far away.
She pushed it for that soldier who was far, far away

Behind the door, her daddy kept a shotgun.
He kept it in the springtime, in the early month of May.
And if you asked him why the heck he kept it,
He kept it for that soldier who was far, far away.
Far away,
Far away.
He kept it for that soldier who was far, far away.
