Bromon Types

Type Name	Type Emoji Name	Type Description
Aesthetix ✨	Sparkles	Step into the world of sheer style with Aesthetix! These monsters are the trendsetters of the mystical realm, each flaunting a unique aesthetic from the enchanting Fairycore to the mysterious Dark Academia. They're not just about looks; they're curators of beauty, transforming any space into a catwalk of fantasy.
Browsarr 🧭	Compass	Navigate the net with Browsarr monsters, the swashbuckling navigators of the digital seas. They're all about exploring uncharted territories and discovering new online oases.
Cosmix 🌌	Galaxy	Prepare for a galactic adventure! Cosmix monsters are celestial beings from the far reaches of the universe. With stardust in their veins and galaxies in their eyes, these interstellar creatures bring a touch of cosmic wonder and mystery wherever they go. They're always ready to explore new dimensions and make your cosmic dreams come true!
Cybrrr 🤖	Robot	Cybrrr monsters are the tech-savvy beasts of the digital world. With a flair for coding and a passion for bytes, they're all about making your digital experience a byte more fun!
FanFave 🙌	Raising Hands	Epic pop icons turned into monster mates! Dive in & squad up with beasts born from your most beloved heroes and tales. It's where fandom dreams become bro-monster reality!
Foodie 🍔	Burger	Get ready to drool! Foodie monsters are a delicious blend of mythical creatures and your fave snacks & drinks. They're always up for a foodie adventure, leaving a trail of crumbs and fun wherever they go!
Oddballz 🎱	Crystal Ball	Expect the unexpected with Oddballz! These monsters defy categorization, bringing a quirky and unique twist to the table. They're the wild cards of the bunch, always surprising and delightfully different.
Trendster 🌟	Glowing Star	Always on top of what's hot and happening, Trendster monsters are your go-to for the latest buzz. They're hip, they're happening, and they're always a step ahead in the trend game.
Webby 🕸	Web	Webby monsters are the interconnected critters of the internet. They weave through the World Wide Web with ease, connecting dots and spinning digital webs of

		wonder.
Wildify 	Herb	Enter the wild side! Wildify monsters are where nature's untamed spirit meets mythical imagination. These creatures are all about raw power, natural beauty, and a touch of wild whimsy.

✨ Bromon Rarity

Rarity Name	Rarity Text Color (in Google Docs)	Rarity Description / Rarity Crush
 Common		Common but never boring - like your favorite pair of sneakers, always reliable and ready to roll!
 Uncommon		Uncommon? More like 'Uncommonly awesome'! These guys are the sprinkle on your ice cream.
 Rare		Rare and rad! These aren't just any monsters – they're the 'finders keepers' type!
 Epic		Epic level: Boss mode! With moves that break the meter, they're the party starters of the pack.
 Legendary		Legends of the game! These monsters are like finding an extra fry at the bottom of the bag.
 Mythical		Mythical, as in 'Did that just happen?!' These are the stuff of legends and late-night stories.

 Spoiler cards
