Missing Required Flair

Your post is missing a required flair. Please add either "1" or "2" flair to your post.

To add flair:

- Click "Edit" or the three dots menu on your post
- Select "Add flair" or "Change post flair"
- Choose the appropriate flair ("1" or "2")

If you have questions about which flair to use, please check the subreddit rules or contact the moderators.

This is an automated message.
