Dear Staff Members and Board of Education:

After much research and discussion, we are excited to be moving toward a bond referendum and we thank you for your role in this process. The [newly launched website](#) is the starting point for our efforts to inform the community of the proposal. The link will be broadcast to the community Thursday and we will have flyers available at Back to School Night.

The site has information about the bond referendum, the timeline, and much more as we move closer to the anticipated December vote date. In case you are asked questions by members of the community, we invite you to become familiar with the bond referendum facts. Please explore the [website](#) as we continue our efforts to share information.

Sincerely,
Dr. Sumit Bangia
Superintendent of Schools
