

## Privacy Policy

Updated: July 1, 2023

Thank you for using our Bingo Shine - Bingo Games game (hereinafter referred to as "this application"). We attach great importance to your privacy protection and strictly abide by relevant laws and regulations. This privacy policy is intended to explain how we collect, use, store and share your personal information.

### 1. Scope of information collection

We may collect the following types of information:

Device information: device model, operating system version, unique device identifier (such as Android ID), IP address, etc.

Game data: game progress, achievements, virtual currency balance, etc.

Advertising and analysis data: If you use third-party advertising or analysis services (such as Google AdMob, Firebase Analytics), anonymous data may be collected to optimize advertising and analyze user behavior.

Permission request: Depending on the application function, you may request access to storage, network, camera and other permissions (user authorization required).

### 2. Purpose of information use

Provide and optimize game services.

Analyze user behavior to improve the gaming experience.

Display personalized ads.

Comply with legal and regulatory requirements.

### 3. Data storage and security

Data is stored on secure servers and encrypted.

Access to data is limited to necessary personnel.

User data will not be actively sold or shared with unrelated third parties.

### 4. Children's privacy

If the app is for children (COPPA compliant), additional instructions are required:

Personal information of children under 13 years old is not collected.

Parents can contact us to delete children's data.

### 5. Policy updates

We may update this policy from time to time, and the update will be announced through in-app notifications or official website.

#### 6. Contact us

If you have any privacy-related questions, please contact:
