

Table Assignment - Have students conduct research into some sort of business- or education- related statistics. It can be related to salaries, sales, or any other topic that the teacher deems appropriate. Students will create a table that displays their findings. Following are the minimum technical requirements for their table: at least two columns and at least ten rows, borders, shading, and text formatting. Type one paragraph to explain your findings.

School	Average Cost (per year)
Texas A&M	\$22,407
University of Texas	\$26,324
Baylor	\$54,709
Texas Tech	\$23,333
SMU	\$63,985
Texas State	\$20,948
Oklahoma	\$36,942
LSU	\$41,821
Alabama	\$39,199
