

ACT Information

The state pays for all juniors to have the opportunity to take the ACT or ACT WorkKeys assessments. These assessments will be offered in the Spring (usually January-March) at the Weskan Schools for current Weskan juniors only. To register, talk to the career advocate. To find the specific date and time, watch the google calendar, Coyote Tracks, or ask the career advocate.

Your child can take the ACT multiple times, and they can go to ACT locations, in or out of state, to take it. To learn more about the ACT dates, times, locations, and cost for the regular testing dates, visit act.org.
