

We are hiring!

To accelerate the growth and further our good cause, we are now hiring new team members globally.

Partner Managers to help us manage the massive interest we are facing from businesses by converting them to paid partner accounts. This is a contractor position with industry-leading commission structure. We offer **15%** of the closed deal value as monthly payments in EUR, USD or ETH. A single commission can be as high as **€15,000** and possibly even higher, based on the package sold.

Business Operations Managers to help us facilitate the introductions between the partners and the members of our ambassador community. This is a contractor position with industry-leading commission structure. We offer **15%** of the value of delivered introductions as monthly payments in EUR, USD or ETH.

These positions are open to all countries and vertical markets. A wallet account in Inbot and a membership in the Inbot Ambassador community is a requirement for these roles.
