Letter from the nurse

Highlander families,

I wanted to reach out as we have entered the cold and flu season. All parents should want their children to try and go to school even if they are not feeling their best. OHLSD school's goal is to help kids self manage, and work through minor colds and allergies most of the time. If they show up to our office in the first hour, we will encourage them to try and do their best to make it until lunch, unless they have a fever or other issues. If your child has had vomiting/diarrhea/fever in the past 24 hours they should stay home and be free of it for a full 24hours without medication before returning to school. This is because during that time they are the most contagious. We are here to help manage their health and wellbeing while at school. Always remember you can send an email or call your building nurses to let them know if you feel that we may see your child on a given day. Have a wonderful Holiday season and Stay Healthy!

Sideline Cheer:
Grades K-6*

Our athletes learn a wide variety of cheers, chants, and jumps, while also learning a bit about what happens at a football game and how to lead the crowd!

***Grade is for 26-27 school year**

Competition Cheer:
Grades 1-6* We participate in a NON-MOUNT division (which means that they do NOT stunt) and we are NON-SELECT team since we do not hold try outs.

***Grade is for 26-27 school year**

Who can participate?
 All Oak Hills Elementary Students

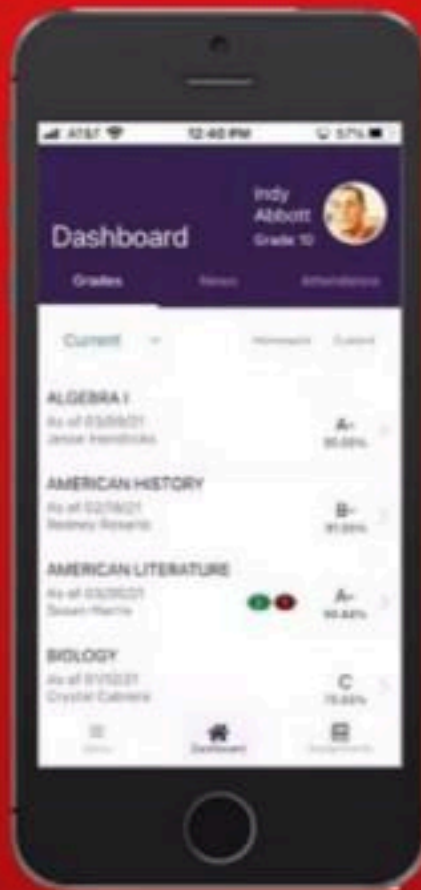

How it works: Attend any Oak Hills High School Music performance. Look for the CONCERT VIP CLUB sign in the lobby. A representative will give you a Concert VIP Club card, your first stamp, and a small treat. Keep the card and bring it to more concerts throughout the year! You can earn a stamp at every Oak Hills High School concert you attend. When you collect 4 or more stamps, bring your card to your elementary music teacher for a special prize at the end of the year!
