

## INVITATION FOR TENDERS

Ukraine

*Thorough repair of the street lighting system in the city of Brovary, Kyiv region*

### INVITATION FOR TENDERS

*«Development of design documentation, delivery of materials and execution of works for replacement of old fixtures with new LEDs, replacement of existing wire with SIW one, replacement of metal brackets, replacement of electric network poles, restoration of protective grounding circuits, disposal of dismantled lamps for thorough repair of street lighting system of Brovary city.»*

*Department of construction, housing and communal services, infrastructure and transport of Brovary city council, Brovary district, Kyiv region*, in the future, the " Employer" intends to direct part of the loan funds received from the Northern Environmental Financial Corporation (NEFCO) to pay for the project *Thorough repair of the street lighting system in the city of Brovary, Kyiv region*.

The Employer now invites sealed tenders from Contractors for the following contract(s) to be funded by NEFCO costs:

**Delivery of materials and execution of works for replacement of old fixtures with new LEDs, replacement of existing wire with SIW one, replacement of metal brackets, replacement of electric network poles, restoration of protective grounding circuits, disposal of dismantled lamps for thorough repair of street lighting system of Brovary city.**

Tenders for contracts financed by NEFCO are open to firms/individuals from any country.

When preparing the tender offer, the Tenderer should take into account that the works in this contract will tentatively start in *September 2023* and should be completed in *December 2023*

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

- a) The average annual income **for the last 3 years (2019-2021)** is at least UAH 20,000,000. Documentation for 2022 is provided for reference;
- b) Experience of the contractor in 3 contracts during the last 5 years (2018-2022) with a total cost of at least UAH 20,000,000, which were fully and successfully completed and which are similar to the procurement in terms of the proposed equipment and works.
- c) In the event of a JVCA tender, the lead partner must demonstrate at least 50% compliance with requirements (a) and (b) above;
- d) Non-fulfillment of the contract by the Tenderer (including JVCA members, if applicable) has not occurred during the last three years (2020-2022);
- e) All pending legal proceedings against the participant (including members of the JVCA, if applicable) must not, in the aggregate, exceed 30% of the net asset value of the participant; The Employer reserves the right to cancel the tender in case of non-provision of credit financing for the project.

Tender documents may be obtained free of charge from the office at the address below upon receipt of a written request from a prospective tenderer.

## INVITATION FOR TENDERS

Upon receipt of a written request from a potential bidder, the documents will be immediately emailed in PDF and MS Word format, but the sender is not responsible for loss or late delivery of the shipment. In the event of a discrepancy between the versions of documents in PDF and MS Word formats, the PDF version will prevail.
