Reminders

To bring:

Rosters

- Prior to the event, print off your roster from the dashboard on FIRSTInspires.org ("Print Team Roster" button). These will be required by every team upon entering the venue. Please provide your roster at the registration table.
- Rosters **MUST** have all participating students on it with a green check mark next to their name to show that they've completed the consent and release. If you have students on your roster who are not attending and who have not completed the form, you can remove them from the roster printout on the roster page on the Dashboard.

Safety glasses

- All teams are expected and required to bring their own safety glasses for the entire team.
-

Parking:

Parking is free and the location is shown on the Venue Map below.

Food:

It is recommended that students do not leave the venue so that they do not miss their first match after lunch. If you are planning to order food for your team, please consider delivery, or asking an adult to pick up the order.

Teams are always welcome to bring in their own food. Food is only provided for volunteers.

Robot Inspection

Inspection checklist:

- Inspections will be conducted as teams are ready and team's should come prepared to pass inspection. The [inspection checklist](#) can be used to check your robot prior to the event (Robot inspection page1, Field inspection page 2).

Key new rules:

- New robot horizontal limits: R104
