Trail Points - (TP)

So what are trail points?

Trail points are an in game currency that allow you to purchase a variety of different rewards.

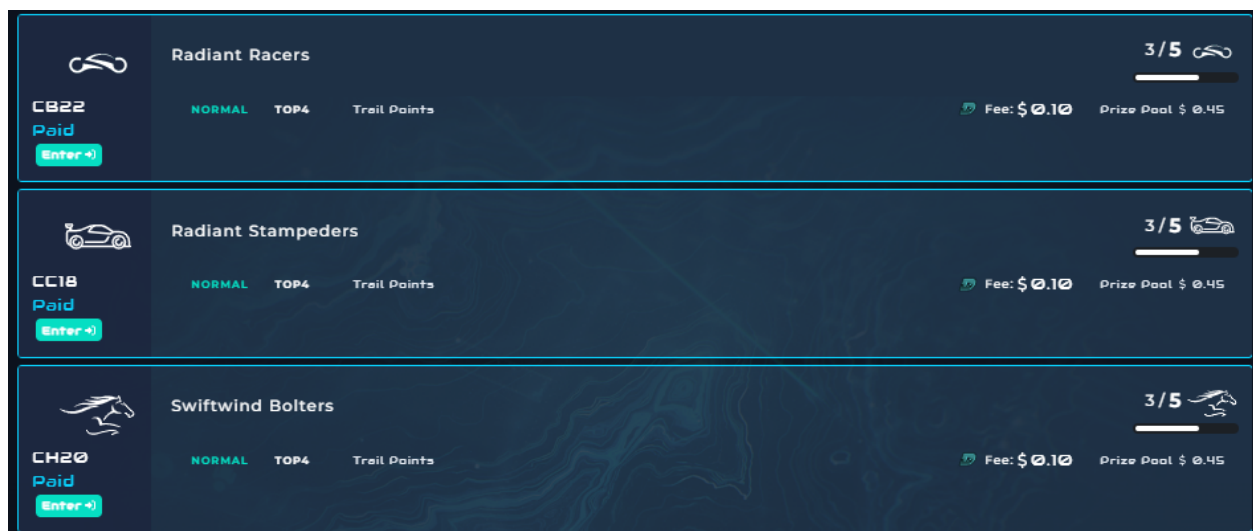

How do I get trail points?

Trail points are earned from trail point 5 gate races found in the lobby under the paid races tab.

Entering a core with cost 10c & you will need to use the in game currency - \$DEZ

You can enter a race as a bike, car or horse.

How many trail points can I earn from a race?

Trail point are paid out as the following

1. 0.15
2. 0.12
3. 0.10
4. 0.08
5. 0.05

1st #830  Intriguing Duck MACE Racing - Patticakes F4/Genesis Prize: \$0.11 45 Pts: 0.15	2nd #14775  Urban Gunned EUREKA F5/Freak Prize: \$0.11 45 Pts: 0.12

You are able to enter 2 cores per race. The top 4 places will earn you back 11c so your entry is covered. Try to avoid 5th.

So with this race above I entered 2 cores, avoided 5th and earned a total of 0.22 Trail points.

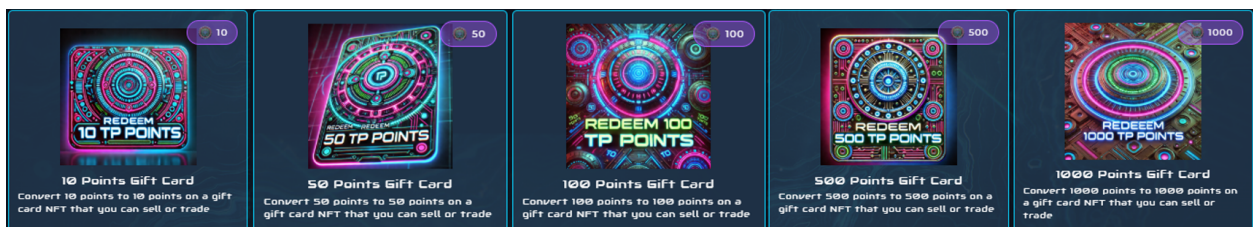

Going off that math it will take me around 5 races (with 2 cores) to earn 1 TP.

Or 10 races with 1 core to earn 1 TP

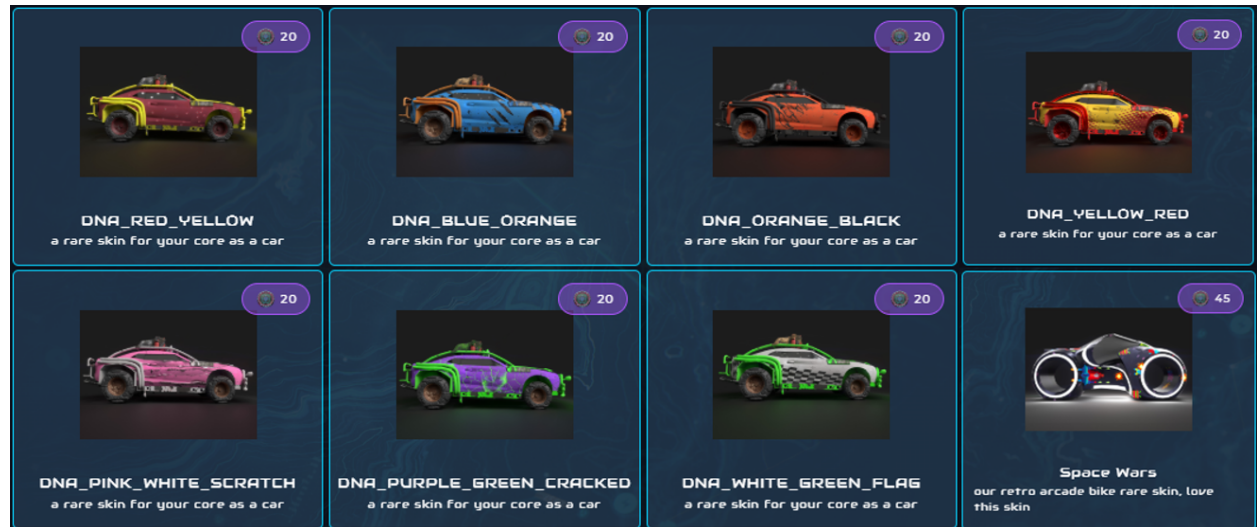

(TIP - Enter 2 cores to speed up your earnings)

What can I do with trail points?

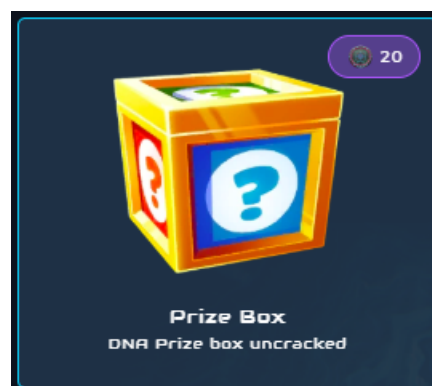

With 1 TP there is not much you can do. The minimum amount you need for a reward is 10 TP.

With 10 TP you are able to purchase a gift card. With a gift card you are able to sell on the market or trade it with someone. Sometimes there are tournaments running where the only way to enter is with TP. This means you either have to earn TP or buy TP should you want to enter the tournament.

There are also cool skins you are to purchase for 20 TP. Keep an eye out in this section as there may be more cool stuff that could be added at any time. You can pimp out your vault or you may be able to sell or trade these.

Another super fun part of earning TP.... **Prize boxes.**

These can be super rewarding or super cruel.

Prizes range from freshly minted cores, ETH, DEZ, SGC, BGC or Matic

These can also be purchased for 20 TP and you also have the ability to sell or trade them.

So why should I earn Trail points?

There are a few reasons & benefits to putting some time focused towards earning TP.

1. You are able to test out cores as bikes, cars and horses and earn TP along the way.
2. You will be able to mint TP Gift Cards & possibly sell at times of TP entry tournaments.
3. You will be able to mint cool skins to always look your best on the track or sell them.
4. You will be able to mint prize boxes & test your luck or sell them.

There is a huge benefit to earning TP. Selling gives a great opportunity to earn some DEZ or Weth to help build out your vault. You can build up a bankroll to hit the Arena and splice a champion core.

Also as you build up a bankroll you can stake DEZ and earn passive income. You can buy LC and watch it grow. You might even be able to purchase a Genesis core or a spliced core from the market and expand your vault.

Hope this quick guide rundown helps on your DNA RACING journey
See you at 100!!
