Fully Rejected Modes

This document contains information regarding modes that are not ranked on EITHER list, but have been commonly requested to be placed in the past. Their reasons for rejection are listed here.

<u>MODE NAME</u>	<u>VIDEO GAME</u>	<u>REASON FOR REJECTION</u>
1000 IQ	One Night with the Imposter	Game contains an audio file with usage of the N-word (and can be briefly heard during a sabotage in the game). In other words, blacklisted for inappropriate content.
1000 IQ All Challenges	One Night with the Imposter	Game contains an audio file with usage of the N-word (and can be briefly heard during a sabotage in the game). In other words, blacklisted for inappropriate content.
2/20 Mode	Five Nights With 39	Game contains major usages of profanity and has overt suggestive themes present.
2/25 Mode	Five Nights With 39	Game contains major usages of profanity and has overt suggestive themes present.
3/20 Mode	Piggy Hallucinations Night 2	The custom night is paid to unlock. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
4/20	Five Nights At No thing	The game is too similar to the original Five Nights at Freddy's to be ranked on the list.
4/20 Mode	Five Nights in the Forest	The custom night is paid to unlock. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
6 Night	Five nights at Floppa 0	Game is marketed as a fangame, but paid on Steam. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
7/20 Mode	Five Nights at Candy's: Sugar Rush!	This mode is too similar to the original Five Nights at Candy's to be ranked on the list.
7/20 Mode	Those Nights With Anthony	The custom night is paid to unlock. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.

7/20 Mode / Burning Memory	Five Nights at Candy's 2 Custom Night	Developer has requested this game to be removed from the Maxmodelist.
20:20:20:20	freddy's	The custom night is paid to unlock. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
60/20 Mode	Five Nights with Mac Tonight: Nostalgia Attack	Game suffers from extremely poor optimization, with cameras needing to be pre-loaded prior to beginning serious runs. Although the mode used to sit in the top 10 when it was verified, these quality standards needed to be enforced for this specific mode.
76/20 Mode	Five Nights with Mac Tonight: Nostalgia Attack	Game suffers from extremely poor optimization, with cameras needing to be pre-loaded prior to beginning serious runs. Additionally, to access it you first have to beat 60/20 mode, which is also blacklisted.
ALL MAX mode	Fredbear's Workshop: Remastered	The mode is too similar to the original Five Nights at Freddy's 2 to be ranked on the list.
Antimode	Five Nights At Floppa	Game is marketed as a fangame, but paid on Steam. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
Extra Night	Five Nights At Mexican Moms	This mode is paid to unlock. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
Full Mode	Five Nights at Candy's 2.0	The game is too similar to the original Five Nights at Candy's to be ranked on the list.
Golden Freddy V. Hard	Five Nights at Baby's	Game does not meet quality standards gameplay wise, and it suffers from major crashing issues and bugs.
Hardcore	Five Nights At Floppa	Game is marketed as a fangame, but paid on Steam. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
Hardcore Maskman	The Horde: Revitalized	Developer has requested that this game and mode not be added on the Max Mode List.
Max Mode Equivalent	FNaF World	Although the game is a FNaF spin-off title, the game does not contain a custom night or hard mode that could be categorized as a Max Mode, with actual FNaF-styled gameplay present.
Max Mode Equivalent	Five Nights at Freddy's: Security Breach	Although this game is a FNaF main series title, the game arguably does not contain a custom night or hard mode that could be categorized as a Max Mode, with actual

		FNaF-styled gameplay present.
Max Mode Equivalent	Five Nights at Freddy's AR: Special Delivery	Although this game is a FNaF main series title, the game arguably does not contain a custom night or hard mode that could be categorized as a Max Mode, with actual FNaF-styled gameplay present.
Max Mode Equivalent	Freddy in Space 2	Although the game is a FNaF spin-off title, the game does not contain a custom night or hard mode that could be categorized as a Max Mode, with actual FNaF-styled gameplay present.
Max Mode Equivalent	Security Breach: Fury's Rage	Although the game is a FNaF spin-off title, the game does not contain a custom night or hard mode that could be categorized as a Max Mode, with actual FNaF-styled gameplay present.
Max Mode Equivalents	Five Nights in Anime (Series)	Games contain overt suggestive themes, and sexual content.
Max Mode Equivalents	Five Nights at Freddy's Sexualized (Series)	Games contain overt suggestive themes, and sexual content.
Max Mode Equivalents	Five Nights at Walter White (Series)	The games are too similar to the original games in the Five Nights at Freddy's series to be ranked on the list.
Max Mode Equivalents	One Night with a Box (Series)	Games contain overt suggestive themes, and sexual content.
Max Mode Equivalents	POPGOES Arcade (All Versions)	Although the game is a FNaF spin-off title, the game does not contain a custom night or hard mode that could be categorized as a Max Mode, with actual FNaF-styled gameplay present.
Night 5	Bubba's Diner	Although this night would be the technical max mode, the rules state that even if a game does not have a dedicated max mode, and only has base campaign nights, it will not be ranked.
Night 5	Final Nights 2: Sins of the Father	Although this night would be the technical max mode, the rules state that even if a game does not have a dedicated max mode, and only has base campaign nights, it will not be ranked.
Night 5	Final Nights 3: Nightmares Awaken	Although this night would be the technical max mode, the rules state that even if a game does not have a dedicated max mode, and only has base campaign nights, it will not be ranked.

Night 5	Final Nights 4: Fates Entwined	Although this night would be the technical max mode, the rules state that even if a game does not have a dedicated max mode, and only has base campaign nights, it will not be ranked.
Night 6	Five Nights at Stone Cold Freddy's	Although this night would be the technical max mode, the rules state that even if a game does not have a dedicated max mode, and only has base campaign nights, it will not be ranked.
Night 6	Five Nights at T-Pose	Although this night would be the technical max mode, the rules state that even if a game does not have a dedicated max mode, and only has base campaign nights, it will not be ranked.
Night 7	Cluck Yegger in Escape from the Planet of the Poultroid	Game is marketed as a fangame, but paid on Steam. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked. There is no custom night present either in this game.
Night 7	Five Nights with 39: Anniversary Edition	Game contains major usages of profanity and has overt suggestive themes present. There is no custom night present either in this game.
Night 8	Five Nights Before Freddy's	Mode does not feature FNaF styled gameplay.
Nightmare Day	Five Shows at Wario's: Director's Cut	Now with the existence of its true max mode (Daymare - The Exit but with its character's AIs raised to 20 on the custom night), Nightmare Day is no longer the max mode.
Nightmare Mode	Boogeyman	Game is marketed as a fangame, but paid on Steam. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
Nightmare Mode	Boogeyman 2	Game is marketed as a fangame, but paid on Steam. It is not part of the official FNaF series or Fanverse, therefore it cannot be ranked.
Retarded TwentyThree	Leftory Custom Night	Although this game does in fact meet quality standards visually, difficulty, and gameplay wise, the name of this max mode is considered inappropriate, and can be potentially seen as discriminatory. The name of this mode is not something we would like to advertise on the Maxmodelist.
Rick's Circus Peanuts	The Horde: Revitalized	Developer has requested that this game and mode not be added on the Max Mode List.

Saturday	Freddy Fazbear's Pizzeria Simulator	Although this night would be the technical max mode, the rules state that even if a game does not have a dedicated max mode, and only has base campaign nights, it will not be ranked. Note: its hardest variant however is still ranked on the Unlimited List.
The Attic	Final Nights	Although this night would be the technical max mode, the rules state that even if a game does not have a dedicated max mode, and only has base campaign nights, it will not be ranked.
The Entire Circus	Sister Location: But Cool!	Developer has requested that this game not be ranked on the Maxmodelist.
The Entire Circus - All Challenges	Sister Location: But Cool!	Developer has requested that this game not be ranked on the Maxmodelist.
The Grand Finale	Five Nights at Chuck e. Cheese's: Rebooted but Better!	Game has been forcefully taken down by the developers of the original "Five Nights at Chuck e. Cheese's: Rebooted", and has requested for this mode to not be ranked or listed anywhere (including on the removed games spreadsheet). Additionally, the creator of this mod has also asked us not to keep it on the list anymore.
T.R.A.S.H. S.T.A.F.F.	Another TRTF 1 Remake: Overdone!	Game meets quality standards, but this is not the true max mode, as the true max mode has to be unlocked via save editing. Additionally, there is some somewhat inappropriate content featured in the dialogue for the phone calls.
True Foolhardy	Zardy's Maze	Even though this game is free to play and has a custom night based on FNaF games, it is at its core not a fangame, and cannot be ranked.

Partially Rejected Modes

This document contains information regarding modes that are not ranked on ONLY the Main List, but have been commonly requested to be placed in the past. Their reasons for rejection are listed here.
