## **Via Freedom Community Clinic ([Bay Area COVID-19 Resource List](#) )**

- **Markets Amend Hours, with Hours for 'At-Risk' Community**
  - [Albertsons/Safeway/Vons/Lucky/Andronicos](#) (all Albertson's company stores - check the link): At a minimum, the company will reserve every **Tuesday and Thursday from 7 to 9 a.m. for those vulnerable shoppers** who must leave

home to obtain their groceries, unless otherwise locally mandated. Customers should check their store's hours if they're opening on a different schedule.

- **99 Ranch:** Starting (3/19/2020), the first hour of opening (9AM - 10AM), Monday through Friday, will be for those 60+, expectant mothers, persons with disabilities and/or compromised immune systems.
- **Target:** Starting Wednesday (3/18/2020), the retailer will "reserve the first hour of shopping each Wednesday at stores nationwide for vulnerable guests," Target said, adding it is "encouraging other guests to plan their shopping trips around this time frame." All Target stores will close at 9:00PM.
- **Trader Joes:** As of 3/16/2020 hours are 9:00AM - 7:00PM
- **Whole Foods:** Starting Wednesday (3/18/2020), all Whole Foods Market stores in the U.S. and Canada will let customers who are 60 and older shop one hour before opening to the public.
- **Mollie Stones:** As of 3/13/2020, same hours. Online delivery option looks available (instacart), but pushed out at least a week - order ahead of time.
- **Dollar General:** Starting Tuesday, (3/17/2020), it is dedicating the first hour in its more than 16,000 stores in 44 states to help senior shoppers "avoid busier and more crowded shopping periods." The retailer said in a tweet that it wasn't "qualifying a specific age" for the set-aside time.
- **Raley's/Nob Hill Foods/Bel Air:** At present, hours are same
  - **COMING SOON:** Establishing a \$20 Senior Essentials Grab Bag - One bag, per day, per family, while supplies last. Available for store pickup only on a first-come, first-serve basis with no substitutions. Can deliver to seniors parked in the lot.
- **Zanotto's Markets/Lunardi's:** (Effective 3/17/2020) Every day, 8:00AM - 9:00AM will be senior hour for those 60+. Adjusted hours for the general population are 9:00AM - 7:00PM.
- **Walmart:** Adjusting operating hours beginning (3/15/2020). Walmart stores and Neighborhood Markets will be open from 6 a.m. to 11 p.m. until further notice. Stores currently operating under more reduced hours (for example they regularly close at 10 p.m. or open at 7 a.m.) will keep their current hours of operation.

- **General Update on Markets/Food Accessibility**

- **What is "Shelter in Place"? And what are essential workers?**

- Residents should stay in their homes whenever possible through April 7, 2020.
- The order requires that residents remain indoors, except for essential travel, like going to get groceries, going to a medical appointment, or getting supplies.
- Essential workers who may travel to and from their place of work include:
  - businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals.
  - This may change at a later time: this was updated 10:12PM, 3/16/2020

- Necessary government functions and grocery stores will remain open.
- **The order is mandatory, and failure to comply will be considered a misdemeanor crime, according to the city.**
  - If you leave the Bay Area for a vacation - or another non-essential purpose exempt under the Order - then you may not be permitted to return to your residence. Do not travel.
  - The intention is not to police residents - please do your best to stay indoors during this time
- It affects the counties of San Francisco, Marin, Santa Clara, San Mateo, Alameda and Contra Costa, as well as the city of Berkeley.

- **Screening**

- [COVID-19 risk screening and testing](#)
