

Parent Observer Accounts:

The parent will need to get a "Pairing Code" from their student. The student can retrieve this code from within their Canvas account.

Student Role

1. Login to Canvas
2. Click "Account" in the top left corner of the screen.
3. Click "Settings"
4. On the right side of screen, click the "Pair with Observer" button.
5. Write down the case sensitive pairing code.

Parent Role

1. Go to <https://fccsc.instructure.com>
2. Click the link that says "Parent of a Canvas User?"
3. Enter the requested information.
 - a. Your Email is *NOT* the student's email address, but the parents personal email address.
4. Click "Start Participating".
