

July 24, 2025

Dear Lakeland STAR School/Academy and Rising Star Students and Families,

I hope this letter finds you well and your summer has been relaxing and enjoyable. As you know, next school year will bring many changes especially with the addition of new students and staff members. We've spent the summer planning and we are more excited than ever to begin the 2025-26 school year at LSSA and the Rising Star Transition Center.

Student registration is a necessity for all students who attend LSSA and Rising Star. Our annual student registration process will take place from Thursday, July 24th through Thursday August 28th. Please visit STAR's homepage to access annual registration information and forms. In order to get the school year started on a positive note, we request that students and parents/guardians complete the following steps for the annual student registration process:

1. Annual registration forms are available on the LSSA website (<https://lakelandstar.org/>). Click on either the "2025/26 MS Registration" for middle school students or "HS Registration" for high school and Rising Star students to complete and submit the annual registration form.
2. Parents and students must fill and complete all required fields, then click submit. Your responses will be sent electronically to the Lakeland STAR School/Academy (LSSA) School office.
3. After the registration form and the emergency form have been received by LSSA, students may come in (August 26-28) to pay the \$25.00 registration fee. This payment can be made with cash, check made payable to LSSA, or through Infinite Campus with a credit card. Students may also pick up their student schedules. Computers will be available in the LSSA office during the registration period (August 26-28) for your use.
4. If your student is planning or wanting to participate in a sport this year, please fill out the school registration forms on the LUHS website as well as the registration for LSSA.

We welcome freshmen and all students who are new to LSSA for their first day of school on Friday, August 29th at 8:05am, and the first day of classes for all students will be Tuesday, September 2 beginning at 8:05am.

Thank you in advance for your time in registering for the 2025-26 school year, and enjoy the rest of your summer!

Best,

Stephanie Cull
LSSA Principal
