Reflecting on Our Time Together

My first impression of you was...

What I remember from our first meeting is...

My favorite memory from our time together so far is...

I think your best quality is...

Something I learned from you is...

I want to say thank you for...

Beyond High School

In order to maintain and grow our relationship next year, I expect you to...

The best way to communicate next year is...

The best way for us to meet (virtually or in person) will be...

One thing I want to do this summer with you is...

Together fill in three times you will call each other and put them in your calendar!
