Public Restroom Quickie

Receding footsteps. Yeah, I'll see you tomorrow. Huh? Yeah, I'll check that out and let you know! *Laugh* Of course, no problem. **Small thud.** Oh...uh, sorry, I didn't see you there. **Shuffling sound.** You alright? You look a little...pale? Are you sure you're alright? What? You wanted to talk to me? Well...sure. Wait...did you like...plan this out then? Alright, fine. I guess it has to be something pretty serious then.

Um...sure, **footsteps.** I guess we could go there but... you're not going to do or say anything weird, are you? Just a little? Hahaha, I guess that's fine then. **Door opening.** So...well, go for it. **door closing.** We're all alone. I have to admit even I'm a little curious now. What? You didn't think you'd get this far? I don't know what you think, but I don't... I don't bite sweetie...

Hesitant. I... see. Um... honestly, it was kind of hard to understand everything but... you like me? Hey, I don't think you're supposed to be the one embarrassed here. Uh... I don't really know what to say... **whisper.** I mean, I don't think we've ever talked outside of class, so...

You know, you panic pretty easily. I don't think it's a bad thing. So... why do you... **[Hesitant]** y'know? I'm just trying to understand. I see. Woah, did you... did you have that all memorized? **Surprised.** Holy shit, I definitely didn't expect a list... that long. Uh no, I'm just really, really surprised, I guess. No one's ever done this for me.

Haha, hey, you can't get all nervous after saying all that. It was cute. You haven't... **shuffling sound. Whisper.** had a lot of practice flirting, have you? Let me guess, you didn't think you'd make it this far either, huh? Well, who said you did fuck up? I definitely

didn't. You're kinda cute...how should I put this...when you get nervous it's like...you're more sincere, I guess.

You know, maybe **approaching footsteps**...just maybe I'll keep you around. Besides, you aren't that bad at this... you got me alone in one of the restrooms. Was this a big, big part of your plan too? I'm almost impressed. You know...I don't have any other place to be, and I have a lot of free time. I wouldn't mind having some...**whisper**. fun company, right?

Surprised. Really? You didn't catch that. You are pretty dense, I was trying to flirt with you, you really are so cute. I don't get it. You're so nervous but you managed to talk to me, how the hell did you manage that? You don't know either? Well, I definitely, definitely don't mind. Maybe I should have paid more attention to you in class, huh? We could have had a lot of...**whisper**. fun.

Good, I didn't want to be... too obvious now. **Unzipping, clothes being tossed aside**. What am I doing? Well, I'm just...trying to make myself a little more comfortable. Don't look so scared, I thought this was what you wanted, wasn't it? See? Good boy. **Shuffling sound**. Now, just lean back here. Why don't we both get more comfortable?

Shhh you don't have to worry about anyone using this restroom during this time of day.. You know no one comes here during this time... Isn't that why you brought me here. So you can confess your dying love to me.. Pfft haha I'm teasing you.. Honestly I enjoyed it.. If you do a good job here maybe... just maybe... we can have this be our little secret, **whisper** and do more of this in the future.

Now, we're going to have...**shuffling sound**. a lot of fun. Hey, you're even more excited than I thought. Come on, just let me take care of...everything. **Wet sounds**. Mmm...You've never done this before, have you? Well, you might get a lot of...practice soon. **Wet sounds**. Mmm...

I'm going to...take in more now, okay? **Wet sounds**. Mmm...Shh, you can't cum yet. Don't worry, I know something fun you can do...instead. Here...just...put your hand like this. Just a little higher...yes, fuck, just like that. You can go a little faster...ah. Does it feel good? It does...fuck, going...trying to go faster now, huh?

Hey...**shuffling sound**. you don't want me to...cum without you, right? You might just be a little too good at this..... even for a virgin. Fuck. You almost made my knees give out. I think...I might need a second or two now. I knew...I knew I had a good feeling about you. Come on, don't stop now. **Wet sounds**. Ah...fuck. You know you curl tho- fuck, yes, yes just like that. Just...just keep doing that.

Breathy voice. Y-yeah. That was...that was good. Don't worry I haven't came yet... That's for later, all it did was make me even more excited. Don't be shy now, I wonder if your cock will feel as good as your fingers. **footsteps** Come on, I think we can get to...the most fun part, right? Let's...**small thud** there. Come on, you want to be more comfortable. There. I'll let you take charge, just this first time, okay?

Good, now...**grunt** fuck. You didn't even...warn me. No, just...just keep going. **Wet sounds**. Fuck...Perfect. Fuck, you can go faster now. No, you *better* go fast- fuck. Just...just keep going like that. **Wet sounds**. Ah...just like that. What...you want me to turn around? **Shuffling sound**. Th-there.

Door opening and closing. Shhhh- someone's here. Ah.. *he's fucking me so deep... I- ahh... Can't keep quiet...* **Faucet running**. Ahh... w- wait mfmm t- they can't hear us right? AH... mmfm ah.. Yes... **Faucet turning off**. Ahh... mfmm *his hand is covering my mouth- I- I need to breathe ah...* **Door opening and closing**.

Ahh...you're even naughtier than I thought, huh? It's always the quiet ones that are always the freakiest... I love it. **Spanking sound**. Ow...that...that felt good. Go faster. I'm going to...help you out, okay? **Faster Wet sounds**. Just go faster. There...fuck...fuck that feels so good. Just keep...ah. It's getting really hard to...think.

Spanking sound. Oh god...that hurts but it feels so good. You're going to end up making me...cum...fuck. Just...inside. I don't...**Wet sounds.** I don't care. Fuck. Fuck. Harder, please. I'm going to... Ahh...

Shit...I guess we really made a mess, huh? Hey, don't look at me like I didn't know you'd cum...this much. Well...**shuffling sound.** I guess we should probably clean up, right? Besides, we need to practice...a lot more. Hehe of course you passed the test.. You are just what I need.

Whisper. Don't worry. I'm not letting you go anywhere.
