//Phone vibrates

(phone voice fx) Hi, babe what's up? I'm afraid I might have to stay at work a little bit longer. End of the month can be hectic and because Cynthia is on holiday and Trent has phoned in sick, I'm the only one from finance who is in for the rest of the week. Sorry. I'll come home as soon as I can.

I miss you too.

You have an incentive for me to hurry? What do you mean?

//Phone vibrates

(coughs) (Under breath) Holy shit! Babe! Uhm, yeah, that jock looks amazing on you.... I'll hurry. Okay. Love you. Bye. My little whore. (Chuckle)

//hanging up

//We hear a door open and close

//Fast paced footfalls

Hi, babe! (kissing - heavily)

I came home as fast as I could ... (kissing) ... I think I ran three red lights on the way. (kissing) The photo you sent made me so horny (kissing) You are so fucking hot ... and that jock is doing things for your arse ... and to me. (kissing)

I've had such a rough day, coming home to my slutty boyfriend ready to be taken is the best gift I could have asked for. (kissing)

'Take it all out on my hole', he says. (chuckle) You won't have to tell me twice. (kissing)

//unbuckle belt

Get on your knees.

Good boy. //belt rattles My belt is making for a nice collar and leash.

Improv:

Listener referred to as: Babe, whore, slut, bitch, faggot, my hole

Listener's genitals referred to as: Arse, hole, man cunt, pussy, pussy hole

- yank the belt and force his face into crotch
- make him worship my bulge

- "You like it when I'm still wearing my suit, huh?"
- unzip and force my cock down his throat: Didn't expect me to go rough right away, huh? That's what you get for riling me up with such a slutty pic.
- BJ instructions
- bend him over the dining table
- rim him while holding on to leash
- Binaural: "You know I love you, right? ... Good, because I'm going to fuck you like I don't"
- Fuck him bent over
- Degrade him - heavily
- Choke him with the belt
- Tell him to milk my cock with his hole, clench down
- Tell him to not hold back - moan and scream. I don't care if the neighbors can hear us. All that counts is my cock stretching his pussy
- Spit on his face while pounding him
- Cum inside

Aaah, fuck! That was great. And so needed. Thank you, babe. I love. (kiss) Didn't even get to take off my suit.

(chuckle) Aww, you look completely spent. Sweaty, flushed cheeks ... Did I give you a good pounding? ... Good to hear.

Aaah, can you feel my cock throbbing in your cummy hole? (kiss)

Yeah. I'm still so fucking hard for my beautiful boy. I'm not done with you. I'll fuck you all night until your mind is completely empty.

//start fucking him rough again, grunt and let it fade out
