Greetings all! As a representative of the Melee Gaming Association, I Commander Guts am pleased to announce an NA tournament for Total War: Arena. If we can prove this tournament a success, we will host an APAC tournament following the NA tournament. The format of the tournament is 8 teams of 7v7 T5 single elimination best of 3. Finals will not be best of 5 due to insufficient time. Prizes are only guaranteed to 7 people so make sure you know who can make it(You can split it). Subs are allowed up to 3, you can only compete in 1 team even if just a sub. Here are the Prizes for top 3 teams.

1st place - 7000 gold to the team (1000 per player)

2nd place - 3500 gold to the team (500 per player)

3rd place - 7 days premium time per player

*Please give the correct ingame name to receive your prizes. Prizes may take up to 10 day to fully register to your account. Prizes are being provided by Wargaming.

Rules are very open and simple

-2-full sets of unit types MAX (Six of a type)

6 Spear/Shock Cavalry, 6 Sword Cavalry, 6 Archers, 6 Slinger, 6 Artillery, 6 Elephants, 6 Swordsmen, 6 Spearmen, 6 Pikemen, 6 Javelins.

-You will have 5 min of prep time in between matches. If a team cannot find a sub after using 5 min of prep, team will be granted 5 minutes extra of grace period. After 10 minutes if your team cannot field a 7th member said team will forfeit. If you have a player disconnect, please let staff know right away to reload into the match.

-No poor sportsmanship, Players will be banned from the tournament for any disrespectful behavior or comments regarding any player or staff involved. Better to just stay out of chat.

-VOIP will be provided in 8 man slots, for referees/staff to jump in to better transition and speed up the logistics of each match. No Coaches allowed, only players that are participating can be in the VOIP. Team leaders will receive their invite.

-No cross region players. If and when we can reach your region, players are only allowed to play on one region. No NA players on EU tourney and vice verse. We will eventually cross over once Total War: Arena unlocks regions. Until then please respectfully allow others to represent their region. We will attempt to host other regional tournaments soon.

-You must have 3 team comp presets, Commanders/players are not limited. Teams do not have to use all 3 presets, Teams are allowed to use the same preset even into overtime. You cannot change team Presets **after joining the first round.** (This prevents counter preset building) Only the Refs/Casters will take and save the presets on an MGA Online document prior to each match that will be made public during stream. Though you cannot switch comps, you can switch which player uses them.

Examples:

Preset 1 Team 1

6 Sword inf

3 Cav

3 Archers

3 Arty

3 Spear inf

3 Slingers

Preset 2 Team 1

3 Elephants
3 Sword inf

Before the game the tournament is started, team leaders will inform the ref what presets for what rounds as well as your map pick. (Sharing a google document/excel sheet works) **Refs, will screenshot** for casters to talk a little bit about the line up during setup. All Presets will be submitted before the first round of the day.

Overtime round will default to **Capitoline Hill**
