

COMMUNITY MEETING: UPDATES ON CALIFORNIA DEEP OCEAN DDT CONTAMINATION

Friday October 25, 1:30 - 3:30 PM PST *with a social hour to follow (3:30-4:30pm)*

USC Michelson Center for Convergent Bioscience (MCB), Room 101, University of Southern California, 1002 Childs Way, Los Angeles, CA 90089

All participants of the Community Meeting must pre-register via [this link](#) and if attending VIRTUALLY must also register [here](#) for a personal Zoom link.

For in-person attendees: Pre-registrants who have indicated they will attend in-person by October 21 will receive a QR code to gain access to campus via email no later than October 23, 2024. You will be asked to show the QR code (printed or on a mobile device) and a Government-issued ID to the parking attendant or, if you're not driving, at the pedestrian entrance. If you are not driving, e.g. getting dropped off or taking public transit, you may enter through any designated pedestrian access point ([see campus map here](#)). Note: The **Downey Way Entrance** is the closest to the Michelson Center (MCB). The MCB is at the West end of campus near Vermont and Downey Way.

****Please note that photographs and footage will be taken throughout the event. These will be used by the Sea Grant for future publications, our website and in social media or in any third party publication. Please contact the event organizers if you have any concerns.**

Time	Agenda
1:00 PM	<i>Check in at MCB lobby</i> <i>Online attendees can access the Zoom link for the meeting by registering at the link above.</i> <i>Para la interpretación en español, haga clic en "Interpretación" en los controles de la reunión. Para oír sólo el idioma interpretado, haga clic en "Silenciar audio original". La interpretación no está disponible para los asistentes "dial-in".</i>
