Student Led Conferences

With Report Cards going home on November 18th, it is time to start looking at booking your Student Led Conferences. This year, we are again using an online booking method for families to arrange their Student Led Conference. In order to book a time, please use the link below to access the teacher's online form. The online form will share with you the dates and times when your child's teacher is available to meet. Please add your details to an empty time slot. Do NOT delete any names that are already on the list. Please note that you are only booking appointments with your child(ren)'s homeroom teacher.

Volunteering At Palermo

In order to volunteer at the school you must have a current (6 months) police check with vulnerable sector screening. If we already have a police check on file, then you need to complete the board's [annual declaration form](#). If you have any questions around this, please call the office.
