Hi, U.S. Armys! Mass requesting for radio stations will happen **everyday** until December 2nd. We have researched and chosen five major radio stations in the nation. Kay has spoken to them, and they are interested in seeing [this petition](#). Please sign because we need more signatures before Nov. 2nd.

For additional information about how to help BTS get on the Hot 100, click [here](#) for the masterpost.

Now here's the list of the five radio stations and different ways to request. **Remember:** We need local Armys to request for more pull, but all US Armys are encouraged to request "Blood Sweat & Tears" by BTS to these stations too. **This WILL help BTS with getting Daesang.**

DO NOT RT ANYONE'S TWEET REQUEST EITHER. JUST LIKE.
