ALEC BALDWIN GLENGARRY GLEN ROSS ALWAYS BE CLOSING FULL SPEECH

Pain- He amplified that while saying they are bad salesman, he drives 80 000 dollar BMW while they hav
cheap cars and watch that are worth more.
Constantly pointing out how he can make 15 000 dollars in one night while they can make it in the year.

Amplify- mention money is there but they want to take it, basically saying it is their fault they are in the s
they are.
Offering new leads but basically didn't want to give them because he knows it waste.

Solution- checking errors on their selling, if they correct it they will be on their way to where he is now.
Great video, gotcha love the 90's
