

Greetings Athletic Directors and Administrators,

It is my pleasure to send you the AIAAA's Hall of Fame nomination form for 2024. Many Arizona athletic administrators that you have worked with or know deserve this recognition. The AIAAA is looking to honor these individuals at our September conference in 2024 but we need your help identifying and nominating them. I have attached a nominating form to this email for your convenience. Please strongly consider nominating a deserving individual. The AIAAA strives to be diverse in its Hall of Fame selections. We need nominations for candidates from large and small schools and districts, from all parts of the state as well as diversity in gender and ethnicity. There are many great and qualified people out there but again, we need your help. If you do have someone in mind to nominate please pay special attention to the minimum qualifications outlined in the nominating form. The one that people miss sometimes is the minimum number of years that a retired AD or AP served (its 10 years). Additionally, while the candidate must have retired, many of them have come back to work for ESI or Smart Schools. These people would still qualify for nomination. I would also strongly suggest you pay close attention to the items required in the nominating packet. The packet must be complete for the HOF Board to consider the candidate. The deadline for complete nomination packets is Friday April 12, 2024. They should be emailed directly to me.

Thanks again for your help. Let's get some good ones!!

Sincerely,
Tony Miller, CMAA
