

Read the following GPEAK Performance Indicator (PI) statements. For each PI, there are clarifying statements where you have the opportunity to score yourself. Reflect upon your own experiences, such as classroom activities, jobs, volunteer roles, athletics, and leadership involvement. Rate yourself 1 to 3 on your level of critical thinking skill. 1 means you never do this; 2 means sometimes, 3 means always. N/A is for not applicable to your experiences. Add comments and examples to support your rating. Have you had opportunities to demonstrate this skill? Are you a leader in this skill?

Critical Thinking

1= Never, 2=Sometimes, 3=Always, N/A=not applicable to your experience

| PI – Reviews, summarizes, and interprets existing information | Never | Some times | Always | N/A | Comments and Examples |
|--|--------------|-------------------|---------------|------------|------------------------------|
| I seek out information needed to accomplish goals. | 1 | 2 | 3 | N/A | |
