VITA Volunteer Opportunity

Literacy / ESL COHORT at DUMC

(Continued….)

We are putting together a COHORT of DUMC members who will provide ongoing support as tutors, teachers and childcare workers (during instruction) in partnership with Vita Education Services. Please contact Mark Estep at mejestep@gmail.com or stop by the Vita Board in the Lobby during the month of June to learn more.

Since 1971, Vita Education Services has been partnering with local school districts, churches, and non-profit organizations to offer free instruction that allows our students to gain entry to a highly competitive work environment, to transition to further education and training, and to support their children's success in school.

Last year, Vita served over 1,100 adults and 43 families through its free ESL, Basic Literacy, Decision Making and employment training programs. They could have served more and the need continues to grow.

Vita needs volunteer tutors, teachers, and child care for Family Literacy

English as a Second Language ESL

- Individual small group instruction and one-on-one tutoring.
- Family Literacy Programs involving computer labs, adult education, parent & children education and interactive activities.

Adult Basic Literacy and GED

- Individual small group instruction and one-on-one tutoring in reading, writing and math.

Decision Making

- Individual behavioral skills programs offered in the Bucks County Correctional facilities, and in the community for those on probation or parole to provide the tools they need to make sound decisions and reintegrate more effectively into the community.

CareerLink Workshops

- Workshops focus on the training and employment services for those with barriers to employment
