Similar to checking out a physical book from the library, Libby has a fixed number of digital copies of *Just Mercy* (14). If no copies are available, place a hold to request a copy. Once the copy is available, you have the option of borrowing for 7, 14, or 21 days. You will be notified via your Libby app notifications.

You can listen in your browser or utilize the Libby app on your phone once the audio is checked out.

Hoopla offers an audio version in [German](#).

There is one copy of *Outliers* audio in GPPSS' [SORA](#) portal:

Visit Mrs. Johnson in the library or email johnsoco@gpschools.org if you need assistance and/or library card number. Some students may qualify for books via [BookShare](#)
