You can set your browser to notify you when you receive a cookie and this will provide you with an opportunity to either accept or reject it in each instance. ## **Credit Information and our Credit Reporting Policy**

### **Credit information generally**

The *Privacy Act 1988* (Cth) contains provisions regarding the use and disclosure of credit information, which applies in relation to the provision of both consumer credit and commercial credit.

### **Credit information and Sealanes**

As we provide terms of payment of accounts which are greater than 7 days, we are considered a credit provider under the Privacy Act in relation to any credit we may provide you (in relation to the payment of your account with us).

### **Our Credit Reporting Policy**

Please see our **Credit Reporting Policy** for further information as to the manner in which we collect, use, store and disclosure credit information.

### **Anonymity and pseudo-anonymity**

We generally do not provide you with the option of dealing with Sealanes on an anonymous basis or through the use of a pseudonym unless you deal with us through a social media platform where you don't have to provide your real name to create an account. Despite this, there may be circumstances in which it is no longer practicable for Sealanes to correspond with you in this manner and your correct personal information is usually required in order to provide you with our products and services or to resolve any issue you may have.

### **Cross Border Disclosure**

#### **Cross border disclosures**

Any personal information collected and held by Sealanes may be disclosed to, and held at, a destination outside Australia, where we utilise third party service providers to assist Sealanes with providing our goods and services to you. Personal information may also be processed by staff or by other third parties operating outside Australia who work for us or for one of our suppliers, agents, partners or related companies.

As we use service providers and platforms which can be accessed from various countries via an Internet connection, it is not always practicable to know where your

information may be held. If your information is stored in this way, disclosures may occur in countries other than those listed above.

In addition we may utilise overseas IT services (including software, platforms and infrastructure), such as data storage facilities or other IT infrastructure. In such cases, we may own or control such overseas infrastructure or we may have entered into contractual arrangements with third party service providers to assist Sealanes with providing our products and services to you.

### **Provision of informed consent**

By submitting your personal information to Sealanes, you expressly agree and consent to the disclosure, transfer, storing or processing of your personal information outside of Australia. In providing this consent, you understand and acknowledge that countries outside Australia do not always have the same privacy protection obligations as Australia in relation to personal information. However, we will take steps to ensure that your information is used by third parties securely and in accordance with the terms of this Privacy Policy.

The *Privacy Act 1988* requires us to take such steps as are reasonable in the circumstances to ensure that any recipients of your personal information outside of Australia do not breach the privacy principles contained within the *Privacy Act 1988*. By providing your consent, under the *Privacy Act 1988*, we are not required to take such steps as may be reasonable in the circumstances. However, despite this, we acknowledge the importance of protecting personal information and have taken reasonable steps to ensure that your information is used by third parties securely and in accordance with the terms of this Privacy Policy.

### **If you do not consent**

If you do not agree to the disclosure of your personal information outside Australia by Sealanes, you should (after being informed of the cross border disclosure) tell Sealanes that you do not consent. To do this, either elect not to submit the personal information to Sealanes after being reasonably informed in a collection notification or please contact us via the details set out at the top of this document.

### **Data security and quality**

#### **Sealanes' security generally**

We have taken steps to help secure and protect your personal information from unauthorised access, use, disclosure, alteration, or destruction. You will appreciate, however, that we cannot guarantee the security of all transmissions or personal information, especially where human error is involved or malicious activity by a third party.

Notwithstanding the above, we will take reasonable steps to:

make sure that the personal information we collect, use or disclose is accurate, complete and up to date;

protect your personal information from misuse, loss, unauthorised access, modification or disclosure both physically and through computer security methods; and

destroy or permanently de-identify personal information if it is no longer needed for its purpose of collection.

## **Accuracy**

The accuracy of personal information depends largely on the information you provide to us, so we recommend that you:

let us know if there are any errors in your personal information; and

keep us up-to-date with changes to your personal information (such as your name or address).

We provide information about how you can access and correct your information in **Section 11**.

## **Access to and correction of your personal information**

You are entitled to have access to any personal information relating to you which we hold, except in some exceptional circumstances provided by law (including the *Privacy Act 1988* (Cth)). You are also entitled to edit and correct such information if the information is inaccurate, out of date, incomplete, irrelevant or misleading.

If you would like access to or correct any records of personal information we have about you, you are able to access and update that information (subject to the above) by contacting us via the details set out at the top of this document.

## **Resolving Privacy Complaints**

### **Complaints generally**

We have put in place an effective mechanism and procedure to resolve privacy complaints. We will ensure that all complaints are dealt with in a reasonably appropriate timeframe so that any decision (if any decision is required to be made) is made expeditiously and in a manner that does not compromise the integrity or quality of any such decision.

### **Contacting Sealanes regarding complaints**

Email: [feedback@sealanes.com.au](mailto:feedback@sealanes.com.au)

## **Register of complaints**

We will keep a record of the complaint and any action taken in our Continuous Improvement Register.

## **Consent, modifications and updates**

### **Interaction of this Policy with contracts**

This Privacy Policy is a compliance document prescribed by law rather than a legal contract between two or more persons. However, certain contracts may incorporate all, or part, of this Privacy Policy into the terms of that contract. In such instances, Sealanes may incorporate the terms of this policy such that:

certain sections or paragraphs in this policy are incorporated into that contract, but in such a way that they do not give rise to contractual obligations onto Sealanes, but do create contractual obligations on the other party to the contract; and

the consents provided in this policy become contractual terms provided by the other party to the contract.

### **Acknowledgement**

By using our website, purchasing a product or service from Sealanes, or otherwise submitting your personal information to us where you have been provided with a copy of our Privacy Policy or had a copy of our Privacy Policy reasonably available to you, you are acknowledging and agreeing:

to provide the consents given by you in this Privacy Policy; and

that you have been informed of all of the matters in this Privacy Policy.

### **Modifications and updates**

We reserve the right to modify our Privacy Policy as our business needs require. We will take reasonable steps to notify you of such changes (whether by direct communication or by posting a notice on our website). If you do not agree to our continued use of your personal information due to the changes in our Privacy Policy, please cease providing us with your personal information and contact us via the details set out at the top of this document.
