Subject Line: The Productivity “hack” that will allow you to complete any task...

Tired of being met with the stress of meeting deadline after deadline?

We’ve all been there– You decide you’re finally going to finish that essay or perform research for work in the next 30 minutes. You get caffeinated, set a timer, and it’s off to the races.

You push yourself for 5 minutes.

Then you go back to scrolling on Instagram when the work starts to get “boring”.

That’s why we created Qualia, personalized capsules that enhance your focus, creativity and overall will to do what needs to be done. You’ll not only be able to enhance the quality of your work, but you’ll be able to do it for much longer. With the help of a mere capsule, UNLOCK YOUR TRUE POTENTIAL and become the person you know you are meant to be.

Subject line: The Four M's of Inspiration that no one wants you to know...

Struggling to be motivated will always send you down the dreaded rabbit hole of un-productivity.

Is this you? Do you struggle to find motivation?

Our team of expert neurobiologists and doctors spent 1000s of hours researching, testing and tinkering to find the best formula to achieve real “inspiration” on command.

Qualia Mind provides 28 high-purity, biologically available ingredients that help improve the four areas of brain performance

1. Mental Energy
2. Motivation
3. Mental Focus
4. Memory

Unlike convenience store energy drinks, Qualia will enable your brain to work better, for longer, without running out of steam later in the day.
