## MESSAGE FROM CAROL CRAMER

Welcome Back and Happy New Year!

We wish COVID wasn't back at the top of our minds, but it's here and we've learned a lot along the way that helps us lean in as a whole community to do what we can to stay healthy. Please join us in:

- Responding to the health screener completely and honestly each day.
- Ensuring all masks worn on campus fit snugly over the nose and mouth. Send extra masks to school with students.
- Staying home (keeping students home) if symptomatic and contacting the school health clerk.

Parents, if your child needs to isolate or quarantine and your student is well enough to do some school work, please reach out to your child's classroom teacher to request a work packet for the extended absence.

The Lost and Found from before break has been bagged up to send off to Dress Best for Less. We will hold onto it until NEXT Wednesday for any caregivers who want to come look for missing items. Students toured the items before break but somehow no one recognized what was left.

### **TRANSITIONAL KINDERGARTEN INFORMATION NIGHT**

The State of California is expanding eligibility for Transitional Kindergarten. Students who turn five between September 2, 2022 and February 2, 2023 will be eligible for Transitional Kindergarten next year. A TK information event will be held via zoom on January 13th at 7pm.

### **2022-23 ENROLLMENT**

Enrollment for next school year will open on Friday, January 14. Continuing students do not need to re-enroll. Younger siblings who are entering the Piedmont schools for the first time must complete the [enrollment process](#).

## PARENTS CLUB NEWS

### PRESIDENT'S MESSAGE

Happy New Year Wildwood Families!

I hope you were able to enjoy the break and find time to rest and recharge. I would like to warmly welcome back our students to school this week. While the resurgence of Covid

cases has been unsettling for many of us who already have Covid fatigue, I am encouraged that our children can return to school safely with enthusiasm and energy. I am grateful to our district nurses, health clerks, and parents for working together to keep our schools healthy and open. And I am confident that we can get through this together and make 2022 a great year!

Our next [WPC Meeting](#) will be on Tuesday, January 11 at 7pm. Hope to see you there!

With gratitude,  
Grace

### COUNSELING CORNER

#### TIP FOR THE WEEK:

Returning to school after break can be both exciting and challenging for many children. Many big feelings make an appearance as students settle back into their school routine. I just tried out this short [Progressive Muscle Relaxation](#) in my office and liked the concrete visualization it offered. Practicing it when feeling calm is helpful and makes it more likely to be used when needed :-)

Please don't hesitate to reach out if you wish to brainstorm ways to support your child.
