

NCIS Secondary Swimming 2024 - Lindisfarne Results

Congratulations to our Lindisfarne Secondary team from yesterday's NCIS Swimming Championships. Lots and lots of our navy and gold stripe caps powering down the pool into placings. Thanks for all your contributions, and best wishes to those that are embarking on the NSW/CIS Sydney trip.

Please view the following result links (and check thoroughly):

Congratulations to our boys and girls for finishing FIRST on the overall point score. Such is the volume of students now within our school, winning on the adjusted Percentage Points Score is going to be a hard goal to achieve, but one we can no doubt set our sights on. Well done to our Age Champions and Placegetters:

[NCIS Secondary - TOP 2 Relays](#)

Top 2 relay qualifiers gain a slot for the school at CIS. Please, as much as possible - network with each other to see if individuals in your team are Sydney bound - or not (it is very difficult for the Sports Department to help in this regard).

****Parents whose children have qualified for ONLY the relay at CIS, please do not feel pressure to attend this event - it is a big expense to participate only for a relay event.**

Top 3 qualifiers get through to CIS in the Individual events.

[Records Broken - NCIS Secondary](#)

Congratulations to Riley Johnston and Myla Naylor for both making a mess of the record sheets - on multiple occasions.
