School Custodian Appreciation Day: School Custodian Appreciation Day will be celebrated on Monday October 3rd. Please take the opportunity to say thank you to the members of the JMA Custodian Team if you see them on campus. They are a dynamic team that ensures that our scholars have a beautiful place to learn.

Workday: Mark your calendar - Wednesday, October 5th is a Teacher Workday.

Progress Reports: Over the past week, your scholar was issued a progress report for each class. If you have not received a progress report from your scholar for each class, please contact the teacher directly.
